

Boat Smart Chronicles reads like a great ship's log on recreational boating spanning over two decades. As a long-time Coast Guard rescue responder Tom Rau has meticulously recorded firsthand accounts of boating and water related mishaps.

These accounts include valuable feedback from those rescued and their ordeals. This wealth of boating experiences has evolved into an epic boating safety guide. No matter where you boat or your experience level, the entertaining and revealing **Boat Smart Chronicles** is an absolute must read for all recreational boaters and water enthusiasts.

What Others are Saying:

While this book concentrates on boating in Lake Michigan, its lessons apply to all boaters everywhere. U.S. Coast Guard Senior Chief Tom Rau's extensive experience in search and rescue and boating safety education is evident. There is a life-saving lesson in every story he tells. Though Tom has retired from the Guard, he will undoubtedly continue to save lives through this book.
